

# Terms and Conditions

## Introduction

Welcome to Tomorrow, your personal gateway to explore, connect, and share travel experiences. By using the Tomorrow app, you agree to these terms, which outline your rights and responsibilities, and our commitment to providing you a unique and engaging platform. Our services enable you to discover and share travel destinations, connect with others, and make the most out of every trip without the distraction of in-app advertising.

## User Accounts

### Account Creation and Access

To create an account on Tomorrow, you must register using your phone number. An OTP code sent via SMS will be used for verification. You must provide accurate and current information for registration and maintain the security of your account.

### Account Use

Your account on Tomorrow allows you to:

- Post and manage your business places.
- Manage your social media posts within the app.
- Save and review places you have visited or are interested in.
- Access a variety of travel-related content and services, including flight ticket queries.
- Connect and communicate through various chat functions with other users, merchants, consultants, and an AI chatbot.

## Misuse and Consequences

Misuse of any feature of the app, including but not limited to spamming, harassment, or posting inappropriate content, may result in immediate suspension or permanent deactivation of your account. A report system is in place to ensure community standards are upheld. Posts that receive a certain number of reports or disproportionate dislikes will be hidden pending review.

### Account Suspension and Review

Accounts that repeatedly violate community standards, particularly within the Zone feature, will undergo a review process. Three violations related to social posts can lead to account suspension.

### Account Deletion

You have the right to request account deletion. Upon request, we will initiate a process that includes a three-day confirmation period, during which we will reach out to you for confirmation. If we do not receive confirmation, the deletion request will be considered void. All data, except for your name and profile images, will be deleted from our servers at 00:00 AM on the fourth day after the request was made.

## **Account Data and Chat Functionality**

Your account data and chat records, which may include text messages, voice records, photos, videos, files, and emojis, will be handled in accordance with our privacy policy. The AI chatbot is limited to text and voice message interactions.

## **Services Offered**

At Tomorrow, we offer an array of services tailored to the diverse needs of travelers, merchants, and travel enthusiasts. Our platform is segmented into distinct sections, each serving a specific purpose within the realm of travel and social interaction.

### **Travel Screen**

Unlock the door to a world of destinations with our Travel screen, where you can search for places based on the experiences they offer, such as mountain retreats, seaside escapes, or camping adventures. We feature a curated selection of cities and towns within Cambodia, spotlighting local gems like Phnom Penh and Siem Reap. Our platform also highlights nearby attractions and events, keeping you informed about the latest happenings and opportunities. Flight ticket searches are simplified through a direct line to our travel consultants, ensuring your travel plans are as seamless as the journeys themselves.

### **Zone Screen**

The Zone is a vibrant community space where you can share your travel tales and discoveries. Create a post, browse through a feed of shared experiences, or delve into the profiles of fellow adventurers. The Zone is your space to connect, inspire, and be inspired, fostering a community that celebrates the spirit of exploration.

### **Chat Features**

Our comprehensive chat function bridges the gap between users, merchants, and travel consultants. Engage in private conversations, seek advice from travel experts, or connect with local businesses—all within the app. With support for various media types, including text, voice, photos, and videos, your conversations can be as vivid and dynamic as your travels.

### **AI Chatbot**

In your moments of need, our AI chatbot, TomorrowBot, is ready to assist you with inquiries and support. This intelligent assistant is designed to help streamline your travel planning and provide quick answers to your questions.

### **Business Tools**

For merchants, Tomorrow is not just an app but a partner in growth. Publish your business with us, and tap into a world of potential customers. Manage your business listings and social media posts directly through your profile, and watch your visibility soar.

Through each of these services, Tomorrow is committed to elevating your travel experience by providing a platform that is intuitive, engaging, and, most importantly, centered around our

community. Our commitment is to ensure that your journey, whether it be planning, discovery, or connection, is met with excellence and support at every turn.

## **User Conduct**

Users are expected to use Tomorrow's services in a respectful and lawful manner. Any actions that disrupt the experience of other users, such as harassment, posting illegal content, or engaging in fraudulent activities, are strictly prohibited. We reserve the right to take necessary action against any user found violating these terms, which may include temporary suspension or permanent account termination.

## **User Contributions**

We encourage users to contribute content such as business listings and reviews. However, we hold the right to moderate, remove, or utilize this content for the app's features and services, always respecting the user's intellectual property rights. Contributions must adhere to community standards and should not infringe upon the rights of others.

## **Interactions Among Users**

Mutual respect is the cornerstone of user interactions within Tomorrow. Any abusive behavior may be reported and will be subject to review. Features like reporting and dislike thresholds help maintain the integrity of the platform, ensuring a safe environment for all users.

## **Social Media Functionality (Zone screen)**

The Zone is a space for users to express themselves and share their travel experiences. Posts must comply with our content guidelines, and we have a system in place to address reports of inappropriate content. We are committed to fostering a positive and inclusive community.

## **Chat Functionality (Chat screen)**

Our chat features are designed to facilitate meaningful interactions. Users are expected to maintain decorum and respect privacy. Misuse of the chat function, especially in conversations with our AI bot, is monitored and may lead to restrictions.

## **Intellectual Property**

All content created by Tomorrow, including text, graphics, logos, and software, is the property of TripScanner or its content suppliers and is protected by intellectual property laws. By using the app, you agree to respect these rights.

## **Third-Party Links and Services**

Tomorrow may contain links to third-party websites or services. These links are provided for your convenience only, and we do not endorse, warrant, or assume any liability for these external sites.

## **Amendments to Terms**

We may update these terms from time to time to reflect changes in our services, user feedback, or legal and regulatory changes. Continued use of the app after any such changes indicates your acceptance of the new terms.

## **Termination of Use**

We may terminate or suspend your access to Tomorrow without prior notice or liability, for any reason whatsoever, including, without limitation, if you breach these terms.

## **Governing Law**

These terms shall be governed and construed in accordance with the laws of Cambodia, without regard to its conflict of law provisions.

## **Contact Information**

For any questions about these terms, please contact us at [loitafoundation@gmail.com](mailto:loitafoundation@gmail.com) or via phone at (+855)92 782 792 / (+855)93 782 792.
